## *Every Good Thing* by Joy E. Rancatore

**Every person leaves a legacy; so does every character.**

Lonely outcasts. Found wanderers. Recovering addicts. War-weary heroes. Homeless families. Grieving loved ones. Good men—gone too soon.

Each one's story stands alone, yet all unite along a common thread of dreams pursued and legacy left in this collection of short stories. One life flows into another as each character connects to the next.

Revisit beloved characters from *Any Good Thing* and *This Good Thing* and descry their legacies of faith, heroism, healing, tenacity and sacrifice. These twelve realistic, hope-filled tales celebrate humans and the connections they share and gifts they leave.

### About the Award-Winning Author

Legacy and identity, founded on hope-filled faith, infuse the tales of the soul written from the heart of **JOY E. RANCATORE**. Her Carolina's Legacy Collection embraces everyday moments that constitute a lifetime and its heritage. Told around multiple related characters, this collection explores faith, life, death and the demons within through four mediums—novel, novella, short stories and epistolary.

Despite a fondness for her roles as author, editor, podcaster and speaker, Joy is a hobbit at heart with Bilbo's zeal for mountains.
